LET THE COUNTDOWN BEGIN

00 : 00 : 00

FISMUN 2026, in its fourth edition, continues its journey of bringing students together to learn, debate, and grow. It's a space where ideas are shared, perspectives are challenged, and delegates get a chance to step into the world of diplomacy.

More than just a conference, FISMUN is about building confidence, making connections, and understanding global issues in a meaningful way.
